Offer price: 1.055,37 PLN

At the same time, we inform you that the following offers have been rejected:

1) Life Technologies Polska Sp. z o. o.; st. Bonifraterska 17; 00-203 Warszawa within the scope of Task No. 5 based on Chapter III point 16.1) Terms of Conditions of the Contract - the content of the offer does not correspond to the content of the specification of essential terms of the contract. By the content of Appendix No. 5, the Ordering Party required: 'DiD liposomal fluorescent marker, DiD'; DiIC18(5) (1,1'-Diocetadecyl-3,3,3',3'-Tetramethylindodicarbocyanine Perchlorate), 25mg.' The contractor offered a product with the catalog number D307/DID'OIL; DIIC18(5)OIL 25MG. In letter no. 8/MP/23 of January 3, 2023, the Employer requested the Contractor to present the leaflets. The contractor presented flyers. The content of the specification of essential terms of the contract indicates the DID fluorescent dye without the oil component in the composition - DiD liposomal fluorescent marker, DiD'; DiIC18(5) (1,1'-Diocetadecyl-3,3,3',3'-Tetramethylindodicarbocyanine Perchlorate), 25mg. The dye proposed by the contractor contains oil: DiD' oil; DiIC18(5) oil (1,1'-Diocetadecyl-3,3,3',3'-Tetramethylindodicarbocyanine Perchlorate). The tracer containing oil is mainly used in microscopic analysis. In our research, studies are planned using DID-labeled liposomes using a flow cytometer, for which an oil-free dye is intended. Therefore, the offered product DiD' oil; DiIC18(5) oil (1,1'-Diocetadecyl-3,3,3',3'-Tetramethylindodicarbocyanine Perchlorate) catalog number D307 is not compliant with the proposed product specification in the procurement procedure. Therefore, the offer is rejected.

Sincerely

PREZES ZARZĄDU
